Dear Prof. Paganetto,

**Re: Sponsoring an Ecological Peacc Centre Project
in the Galilee Mountains**

I read the proposal of the project for the establishment of an ecological peace centre in partnership with the Beresheet LaShalom Foundation and the Society for the Protection of Nature.

Having, in the past, been responsible for the development of the Galilee, I look favourably on this worthy initiative and, on your partnership, which will be of great significance for the development of the Galilee from the social, cultural and economic aspects. The promotion of relations between Israel and Europe through an ecological peace project and co-existence is to be commended.

We would be very happy to see you as partners in the project and for you to help contribute to its success.

With best wishes,

Yours sincerely,

Josef Avi Yair Engel
Advisor to the President
